Mortgage Loan Originator (MLO) Compliance Checklist

☑ Timely review and respond (as appropriate) to Department communications

The Department primarily communicates with its licensees electronically via our monthly newsletter, directly via email, and by placing deficiencies on a licensee's NMLS record. Certain communications are sent via U.S. mail. All communications from the Department are equally important. Be sure to timely respond to any Department request. To ensure you receive all Department communications it is important to review your NMLS record frequently to ensure there are no outstanding requests from the Department. Failure to respond timely may subject you to fines or administrative action.

☑ Keep Your NMLS Record Current, Complete and Accurate

MLO's are responsible for keeping their information current on NMLS at all times. This includes, but is not limited to, employment history, contact information, residential history and disclosure question responses. MLO's are required to update their MU-4 on NMLS within 10 business days of the date of any changes to any information on their MU-4 including disclosure question responses per Department Rule 80-11-5-.07.

☑ Maintain a mortgage loan transaction journal

MLO's are required to create and maintain a journal of mortgage loan transactions that includes, at a minimum, the following information:

- 1) Full name of all borrowers;
- 2) Mortgage loan application date;
- 3) Name of the mortgage broker or lender licensee sponsoring the MLO; and,
- 4) Disposition of the mortgage loan application and disposition date.

The journal must be kept current, updated at least every seven (7) days, and shall be maintained for five years. Failure to maintain the mortgage loan transaction journal or to keep the journal current may be grounds for administrative action, including revocation, and will subject an MLO to a \$1,000 fine. Department Rules 80-11-5-.02 and 80-11-5-.05 (d). All books and records are subject to review upon request by Department examiners.

☑ No sponsor, No License

Sponsorship is a prerequisite to licensure for MLO's. Via NMLS, Sponsoring companies must request sponsorship of their MLOs for Department acceptance. Similarly, sponsoring companies are also required to terminate sponsorships of any MLOs no longer employed by their companies. Failure to maintain sponsorship by a licensed Georgia mortgage broker or lender places an MLO license in jeopardy. Unless another sponsorship is obtained, an MLO should surrender his or her license to avoid revocation. This mandate also applies to an MLO that leaves his or her sponsor to begin working as a loan officer for an exempt entity identified in O.C.G.A. § 7-1-1001. Department Rule 80-11-5.01(3)(6).
