## Georgia Residential Mortgage Act (“GRMA”) \$10 per Loan Fee Late Reporting

Fees collected for the period of July 1 through December 31, 2014 should have been remitted to the Department by March 2, 2015.

Please note that the most recent rule change eliminated the \$0 GRMA fee statement reporting. If you were not required to collect any fees during the reporting period, you were not required to file a report. Collected fees that were not reported in a timely manner may still be remitted to the Department. Late fees will be assessed as follows.

### GRMA Late Fees/Fines:

Rule changes were made to clarify that the remittance of any \$10.00 fees after the date on which they are due shall subject the collecting agent to a late payment fee of \$100 for each due date missed. In addition, if the Department finds that the collecting agent has not submitted GRMA fees within six months of the due date, the collecting agent will be subject to an additional fine of 20% of the total amount of \$10.00 fees required to be collected for the applicable period.

### GRMA Fee Statement Reporting and Payments Submitted after the Due Date:

Collecting agents submitting GRMA Fees after the due dates referenced above or for prior semiannual periods must complete and mail a paper form, along with their payment, to the Department. The fillable PDF form can be downloaded here: [GRMA Fee Statement Form](#). Please note that this form will ONLY be used for submitting late payments or payments for a prior semiannual period after the online payment site has closed.

Refer to the Department’s [Frequently Asked Questions](#) document for further information about GRMA \$10 per loan fees reporting and remittance requirements.
