## NMLS Electronic Surety Bonds

All new mortgage company applicants must utilize the Electronic Surety Bonds (ESB) feature through the NMLS to meet Georgia's surety bond requirements. For existing licensees, electronic bond conversion has begun. The deadline for conversion is **December 31, 2017**.

Please refer to the ESB for Licensees resources on NMLS found at: <http://mortgage.nationwidelicensingsystem.org/Pages/ESBforNMLSLicensees.aspx>.

### New NMLS Electronic Surety Bond Training

NMLS is offering a new [Electronic Surety Bond Course](#) available on the [NMLS Resource Center](#).

This e-learning tool consolidates all the information available on the Electronic Surety Bond process in one course.

The course contains recorded webinars, documentation, workflows, and other valuable resources for Surety Companies, Surety Producers, and NMLS licensees. Topics include:

- NMLS Resource Center Information
- Creating and Managing your NMLS account
- Creating and Managing Associations
- Creating and Managing Electronic Surety Bonds

Please visit the [NMLS Resource Center](#) for our most current checklists, which reflect the changes to accommodate the ESB adoption.

## Sponsorship Requirements

Sponsorship is a prerequisite to licensure for MLOs. Sponsoring companies must request sponsorship of their MLOs for Department acceptance through NMLS. Companies should refer to the [Creating Relationships & Sponsorships Quick Guide](#) available on the NMLS Resource Center.

As MLOs are responsible for keeping their information current on NMLS at all times – the Department will not accept a sponsorship request unless and until the MLO has made the appropriate updates to his or her NMLS record. Such updates include, but are not limited to, updating employment history and contact information. The Department recommends that MLOs review the [Change Employer Quick Guide](#) available on the NMLS Resource Center.

## Non-Georgia Branches

No approval is required for mortgage company branches located outside the State of Georgia, but please remember that failure to adequately supervise the operations of any out-of-state branch as it relates to residential mortgage transactions on Georgia property can result in the loss of your license.

Please **DO NOT** submit a [Georgia Mortgage Branch Approval](#) request through the NMLS for branches that are located in a state other than Georgia.

Out-of-state branches do not require the Department's approval and **SHOULD NOT** be submitted through the NMLS in connection with your company's Georgia license. ***Fees paid for out-of-state branches filed through the NMLS are non-refundable.***

As always, in-state branch offices require proper approval of both the branch office location and proposed branch manager.

## Georgia New Application and Amendment Checklists

Please visit the [NMLS Resource Center](#) for our most current checklists and jurisdictional forms. When making any change to your NMLS record, please consult the appropriate Amendment checklist.

Using outdated forms will delay the processing of applications and other approval requests.
