DBF Recognizes 2011 Employee Award Winners

The Department recently recognized its 2011 Employee Recognition Award winners from the main office staff. This annual awards process formally recognizes outstanding employee performance during the previous calendar year. "I think it's essential that we reward and celebrate outstanding performance. The annual awards program is just one of several ways in which we try to showcase excellent service and leadership skills," said Commissioner Rob Braswell.

The **"Jenny Neville" Customer Service Award** was presented to Applications Analyst Irene Harper. This award is presented to an individual that has made exceptional contributions that exceeded expectations in delivering services to external and/or internal customers. This individual has taken initiative in "going the extra mile" to provide service to internal and/or external customers with timely and appropriate follow-up, responsiveness to the needs of all customers and demonstrated improvement of customer service and satisfaction. Congratulations Irene!
