"GAPS" FINGERPRINT PROCESSING

The Georgia Applicant Processing Service (GAPS)

The Georgia Bureau of Investigation (GBI) is now providing electronic fingerprint submission services for licensee and management applicants in the State of Georgia. The **Georgia Applicant Processing Services (GAPS)** decreases the need for agencies/businesses to submit hardcopy fingerprint cards and provides the ability for applicants to have fingerprint backgrounds checks processed electronically in a non-criminal justice environment.

GAPS provides fixed office locations throughout the state so that Georgia residents will not have to travel more than 25 miles to a GAPS office. See [Print Locations](#).

Electronic submission of fingerprint images will involve the use of a Cogent *Livescan* machine. Notifications of the search results are forwarded from the GBI/FBI to Cogent Systems which electronically disseminates the search results to the Department.

The **processing fee for mortgage licensing requests** is set by GAPS and is payable by the applicant at the GAPS Print Location. **The current fee is \$52.90.** Only credit cards and money orders are accepted for payment.

Please follow these instructions to provide fingerprint card/criminal history information to the Department to complete your application process. The Department will enter the required transaction information.

Submit information by **Fax: (770) 986-1029** or scanned by **E-mail: dbfmort@dbf.state.ga.us**:

- Submit personal identifying information to the Department – Use attached [Applicant Registration Form](#).
- Submit [GAPS Waiver/Acknowledgement Form](#) to the Department – Use attached [Acknowledgement Form](#).
- Fax or scan and e-mail both documents to the Department as noted above.
- The Department will enter the registration information online and send you a **Registration ID Number**.
- Applicant **then** contacts a GAPS [Print Location](#) of your choice to make an appointment or verify hours of operation.
- Requirements for completing prints at the chosen GAPS location are: payment (credit card or money order payable to **Cogent Systems – GAPS**), photo ID, and Department supplied **Registration ID Number**.
- Once prints are taken, the Department will receive the results. Please e-mail dbfmort@dbf.state.ga.us to let us know the process has been completed and to expect the results.
