FINAL RULES

MONEY TRANSMISSION

CHAPTER 80-3-1

MONEY TRANSMISSION AND RELATED FINANCIAL SERVICES

80-3-1-.01 Payment Instrument Sellers and Money Transmitters
80-3-1-.07 Administrative Fines and Penalties.

80-3-1-.01 Payment Instrument Sellers and Money Transmitters.

(1) For purposes of Rules 80-3-1-.01, 80-3-1-.03, 80-3-1-.04, 80-3-1-.06, 80-3-1-.07(4), 80-3-1-.08, 80-3-1-.09, and 80-5-1-.02(1), the terms that are defined in O.C.G.A. § 7-1-680 shall have the identical meaning.

(2) Dual Purpose. A license for the sale of payment instruments shall also permit the licensee to conduct money transmission, but the licensee must clearly inform the Department in writing that it intends to transmit money. A separate license will be issued for persons who intend to conduct only money transmission.

(3) Every applicant for a license shall demonstrate to the Department that such applicant has sufficient financial resources in the form of working capital and tangible net worth to successfully engage in the business of selling payment instruments or money transmission. Sufficiency of financial resources shall be determined through financial analysis by the Department of pro-forma and historical financial information of the applicant. Each licensee shall be required to complete and attest to official questionnaires and statements of assets and liabilities when requested for examination purposes. Licensees shall be prohibited from withholding, deleting, destroying, or altering information requested by an examiner of the Department or making false statements or material misrepresentations to the Department during the course of an examination or on any application or renewal form sent to the Department.

(4) Authorized Agents.

(a) Licensees may designate authorized agents to engage in the sale of payment instruments or money transmission at non-banking outlets and the place of business of such authorized agents will not be construed as a branch office. The authorized agent must be bonded and the licensee made solely liable for the payment of the issued payment instruments or transmitted money upon proper presentation and demand. The responsibility of both the licensee and its authorized agent shall be carefully defined in a written agreement setting forth the duties of both parties and providing for remuneration of the authorized agent. An arrangement for daily conveyance of proceeds from the sale of payment instruments and money transmission by the authorized agent

to the licensee is preferable, particularly if the volume of transactions justifies more frequent conveyance. The licensee's blanket bond coverage shall extend to cover transactions by the authorized agent and the conveyance of the funds to the licensee or the licensee's depository financial institution.

(b) Licensees are required to submit authorized agent information to the Department in such form, timeframe, and manner and with such supporting documentation as required. The initial authorized agent list should include all authorized agents of the licensee as of the date the licensee begins business. Future reports related to authorized agents will be submitted on a quarterly basis. The initial authorized agent list as well as the subsequent quarterly reports shall be deemed to be the licensee's notice of new locations operated by authorized agents as well as the licensee's application for approval of the designated authorized agents. Failure to report changes to authorized agents and/or locations in the reporting period in which the authorized agent began or ceased offering the licensee's services can result in fines, revocation, suspension, or other administrative action by the Department.

(5) Every licensee or authorized agent of a licensee shall display prominently in the premises where money is transmitted or where payment instruments are issued or sold a copy of its license. Advertising material relative to the sale of payment instruments or money transmission available within this State shall bear the legend "LICENSED BY THE GEORGIA DEPARTMENT OF BANKING AND FINANCE" in letters at least one-quarter inch high and contain the licensee's unique identifier. The Department may waive the required legend as to specific material distributed in more than one licensing jurisdiction.

(6) Every licensee giving notices of additional or changes in locations operated by the licensee or by an authorized agent shall do so in a form and manner as provided by the Department. Such notice shall include the name and business locations of any authorized agent whose agency has been revoked, suspended, cancelled, terminated, or voluntarily closed by the licensee since the previous report. The reason for such revocation or suspension, and the amount of any outstanding claim by the licensee against the authorized agent relating to the sale of payment instrument or money transmission shall be provided to the Department upon request.

(7) Audit; quarterly reports.

(a) Every licensee shall have an audit of its books and records performed at least annually by independent public accountants in accordance with generally accepted auditing standards. Such audit will be provided to the Department within ten (10) days of the Department's request for such information. Each licensee is required to furnish the Department activity statement on a quarterly basis in a form and manner prescribed by the Department which, shall include, but not be limited to, the amount of outstanding payment instruments or outstanding orders to transmit that have not yet been paid. The activity statement shall be filed forty-five (45) days after the end of each calendar quarter. Licensees submitting an activity statement to the Department, whether in hard copy or electronically are certifying to the material accuracy and validity of the information as submitted.

(8) Proceeds received from the sale of payment instruments or money transmission net of fees charged and retained by the authorized agent shall be remitted to the licensee or the

licensee's depository financial institution by such means as the licensee shall require within five (5) business days from the date of the sale or issuance of payment instruments unless more frequent remittance is required by the Department or the licensee.

(9) Receipt. Each customer that is a payment instrument holder shall be provided with a written receipt or other evidence of acceptance of the issuance of payment instruments or the transmission of money showing the name of the licensee or trade name of the licensee that is registered with the Department, authorized agent identifier information, the date of issuance of the payment instrument or of the transmission of money, the dollar amount of the issued payment instrument or of the transmitted money, and the fee charged to the customer.

(10) Minimum Books and Records.

(a) Each licensee shall make, keep, and preserve the following books, accounts, and other records:

1. A record of each payment instrument sold;
2. A general ledger which shall be posted at least monthly containing all assets, liabilities, capital, and income and expense accounts;
3. Settlement sheets received from authorized agents;
4. Bank statements and bank reconciliation records;
5. Records of outstanding payment instruments;
6. Records of each payment instrument paid;
7. A list of the names and addresses of all of the licensee's authorized agents;
8. A copy of all currency transaction reports that are required to be filed by the licensee;
9. For money transmitters, records of all money transmissions sent or received as well as all outstanding money transmissions; and
10. Supporting documentation for all reports required to be prepared or filed with the Department or the Nationwide Multistate Licensing System and Registry.

(b) Each licensee shall maintain a principal location at which its books and records are maintained and which is accessible to the Department for examination during normal business hours. If the records are maintained outside of the state, then the licensee must have all required records delivered to the Department's main office within ten (10) days of the Department's request. The Department may examine any person that purports to satisfy the exemption from licensure set forth in O.C.G.A. § 7-1-682 to verify that the person qualifies for the exemption from licensure. A licensee that refuses to permit an investigation or examination of books, accounts and records (after a reasonable request by the Department), that withholds material information, or makes a misrepresentation shall have its license revoked.

(11) A licensee shall make a written request to the Department seeking approval for any proposed change in ownership, change in control, or change in executive officer as required by O.C.G.A. § 7-1-688 at least thirty (30) days prior to the proposed change.
